

SPIRIT-FILLED CHURCH

The Spirit-Filled Church
Starts Sunday 4 January 2015

**How did the early disciples respond to the challenge
of becoming Jesus-shaped people?**

**How did they organise the Early Church to try to make it
an organisation of which Jesus would be proud?**

**How should we be reorganising our Church
to respond to the challenges in Baidon in 2015?**

Be part of the solution!

In the early part of 2014 we studied what it meant to become more Jesus-Shaped:
www.jesusshapedpeople.net

Many of us were surprised by the discoveries we made during Jesus-Shaped People; looking at what Jesus said and did in his ministry; we look forward to further challenges.

Come to Sunday services, Cell Groups, Youth Group or See & Know and collect the stickers to fix into your Spirit-Filled Church booklet as a permanent reminder of new thinking during this program.

There is even going to be a group about Jesus-shaped parenting.
Join the conversations on alternate weeks after the service to listen to what other people make of it all.

Don't miss out on a single week!
