

# Safeguarding Children and Vulnerable Adults Policy for Baildon. Methodist Church

This policy was agreed at a Church Council held on **2nd October 2018**

The Methodist Church, along with the whole Christian community, believes each person has a value and dignity which comes directly from God's creation of male and female in God's own image and likeness. Christians see this as fulfilled by God's re-creation of us in Christ. Among other things, this implies a duty to value all people as bearing the image of God and therefore to protect them from harm.

Baildon Methodist Church is committed to the safeguarding and protection of all children, young people and vulnerable adults and affirms that the needs of children or of people when they are vulnerable are paramount.

Baildon Methodist Church recognises that none of us is invulnerable but that there is a particular care for those whose vulnerability is increased by situations, by disabilities or by reduction in capacities. It is recognised that this increased vulnerability may be temporary or permanent and may be visible or invisible, but that it does not diminish our humanity and seeks to affirm the gifts and graces of all God's people.

This policy addresses the safeguarding of children, young people and vulnerable adults. It is intended to be a dynamic policy. It is intended to support the Church in being a safe supportive and caring community for children, young people, vulnerable adults, for survivors of abuse, for communities and for those affected by abuse.

Baildon Methodist Church fully agrees with the Connexional statement reiterated in *Creating Safer Space* 2007:

*As the people of the Methodist Church we are concerned with the wholeness of each individual within God's purpose for everyone. We seek to safeguard all members of the church community of all ages.*

Baildon Methodist Church recognises the serious issue of the abuse of children and vulnerable adults and recognises that this may take the form of physical, emotional, sexual, financial, spiritual or institutional abuse or neglect. It acknowledges the effects these may have on people and their development including spiritual and religious development. It accepts its responsibility for ensuring that all people are safe in its care and that their dignity and right to be heard is maintained. It accepts its responsibility to support, listen to and work for healing with survivors, offenders, communities and those who care about them. It takes seriously the issues of promotion of welfare so that each of us can reach our full potential in God's grace.

Baildon Methodist Church commits itself to respond without delay to any allegation or cause for concern that a child or vulnerable adult may have been harmed, whether in the church or in another context. It commits itself to challenge the abuse of power of anyone in a position of trust.

Baildon Methodist Church commits itself to ensuring the implementation of Connexional Safeguarding Policy; government legislation and guidance and safe practice in the circuit and in the churches.

Baildon Methodist Church commits itself to the provision of support, advice and training for lay and ordained people that will ensure people are clear and confident about their roles and responsibilities in safeguarding and promoting the welfare of children and adults who may be vulnerable.

Baildon Methodist Church affirms and gives thanks for the work of those who are workers with children and vulnerable adults and acknowledges the shared responsibility of all of us for safeguarding vulnerable adults who are on our premises.

Baildon Methodist Church appoints the **Safeguarding Team of Rev Nick Blundell, Ruth Kerr, Janet Binks(steward representative) and Peter Jackson as Church Safeguarding Representatives covering vulnerable adults young people children. The team agreed that Peter Jackson be Team Coordinator** Baildon Methodist Church supports them in their role which is to:

- i) support and advise the minister and the stewards in fulfilling their roles
- ii) provide a point of reference to advise on safeguarding issues
- iii) liaise with Circuit and District Safeguarding Coordinators
- iv) promote safeguarding best practice within the local church with the support of circuit ministers.

a) Purpose

The purposes of this safeguarding policy are to ensure procedures are in place and people are clear about roles and responsibilities for vulnerable adults in our care and using our premises. It is to be read in conjunction with the Methodist Safeguarding Handbook (2010).

b) Good Practice

We believe good practice means that:

- i) All people are treated with respect and dignity.
- ii) Those who act on behalf of the Church should not meet or work alone with a child or vulnerable adult where the activity cannot be seen unless this is necessary for pastoral reasons, in which case a written note of this will be made and kept noting date, time and place of visit.
- iii) The church premises will be assessed for safety for children and vulnerable adults and the risk assessment report will be given annually to the Church Council in written form. This will include fire safety procedures. The Church Council will consider the extent to which the premises and equipment are suitable or should be made more suitable.

iv) Any church-organised transport of children or vulnerable adults will be checked to ensure the vehicle is suitable and insured and that the driver and escort are appropriate.

v) Promotion of safeguarding is recognised to include undertaking those tasks which enable all God's people to reach their full potential. The Church Council will actively consider the extent to which it is succeeding in this area.

These things are to safeguard those working with children, young people and those adults who may be vulnerable.

vi) **the safeguarding group recognises the need for extra vigilance during the building programme and would ask all church members and regular users of the premises to assist each other and to report any safety concerns to the leadership team. who will take appropriate action**

c) Appointment and training of workers

Workers will be appointed after a satisfactory DBS disclosure. Each worker will be expected to undergo basic safeguarding training, within the first year of appointment. The other training needs of each worker will be considered (e.g. food hygiene, first aid, lifting and handling, etc.) and each worker will have an annual review conducted by a named member of the Church Council and another worker within the organisation.

d) Pastoral visitors

In terms of safeguarding, Pastoral Visitors will be supported in their role with the provision of basic safeguarding training upon appointment. and **where required be subject to DBS disclosure in line with Circuit policy**

e) Guidelines for working with children, young people and vulnerable adults

Connexional guidance material is available on the Methodist website outlining good practice and systems.

*It is good practice to download all safeguarding forms from the website as this ensures that current versions are used.*

f) Ecumenical events

Where ecumenical events happen on church premises, safeguarding is the responsibility of this Church Council.

g) Events with church groups off the premises

Adequate staffing will be ensured for such events. **Notification of the event will be given to the Safeguarding team Co-ordinator**

h) Other groups on church premises

Where the building is hired for outside use, the person signing the letting agreement [which should include Safeguarding Form E],<sup>1</sup> will be given a copy of this policy and the

leaflet. The lettings secretary will consider the various users of the building in making lettings<sup>2</sup>

i) Complaints procedure

Context:- a complaint could be made when a bad practice, that is carried out accidentally or intentionally, is observed and needs to be corrected. Typically this could be an inappropriate remark that causes offence, a meeting between two people behind closed doors creating a situation where either person becomes vulnerable.

It is hoped that complaints can generally be dealt with internally by the organisations. However, a complaint may be made to a person who will be appointed by the Church Council and who is currently Peter Jackson. He will arrange to meet with the complainant and attempt to resolve the complaint. If the complaint cannot be resolved, consideration will be given to invoking the complaints system of the Methodist Church which will involve initially speaking with the Local Complaints Officer who is Rev Nick Blundell. If a complaint is made against either of the above, this should be referred to Rev Phil Drake who will act as complaints officer
